EcoMarble ®

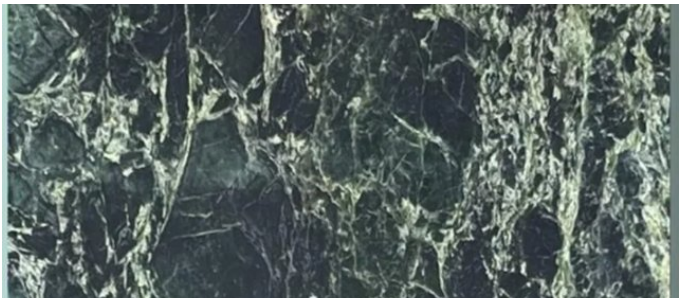

Ultra-Thin Natural Stone Composite Panels

Four stone families.
One distinctive collection.

Marble / 天然大理石

17 selections. Expressive natural veining.

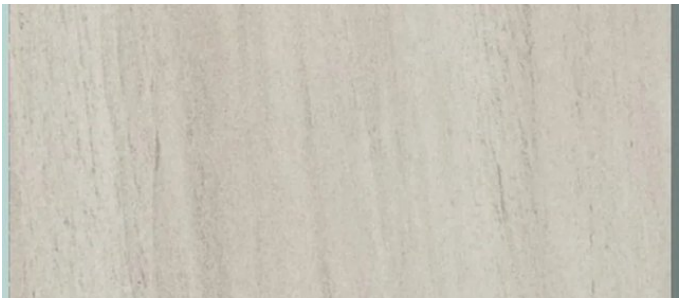

Onyx / 缟玛瑙石

5 selections. Five translucent selections.

Travertine / 天然洞石

5 selections. Natural pores and layered texture.

Limestone / 天然石灰石

6 selections. Quiet tones and subtle mineral detail.

Onyx: Prada Green, Cat ’s Eye Green, Sky Mirror, Spring Ribbon and Dunhuang Green.

Current standard construction: approx. 4.5 mm natural stone face + approx. 2.0 mm cementitious composite backing = nominal 6.5 mm. Confirm dimensions, finish, sample and supply for the selected product.

For distributors and project partners. Natural colour and veining vary by batch. This catalogue does not include pricing or stock commitments.
